14:00 - 14:15: Welcome

Lars Jacobsen
Chefredaktør og moderator
Computerworld

14:15 - 14:30: Keynote presentation

Jay Litkey
Executive Vice President, Cloud Management
Snow Software / Partner

Jay will explore the current global cloud trends and how cloud management has been impacted by the events of 2020; whether acceleration to public cloud or retreating to an on-premises cloud strategy.

14:30 - 16:00: Discussion around the topic

16:00 - 16:00: Conclusion and next step
